

# Privacy Policy – Bienenstock Kiosk App

Last updated: 14.12.2025

---

## 1. General Information

This Privacy Policy applies to the mobile application “**Bienenstock Terminal**” (the “App”).

The App is a **viewer-only application** that displays content provided by the web platform **Bienenstock-Kita.de** via an embedded web view.

The App itself does **not** independently collect, store, or manage personal user data.

Personal data processing that occurs within the web platform is governed by the separate Privacy Policy of the Bienenstock web application:

[https://bienenstock-kita.de/Documents/Datenschutzrichtlinie\\_BIENENSTOCK\\_V1.3.pdf](https://bienenstock-kita.de/Documents/Datenschutzrichtlinie_BIENENSTOCK_V1.3.pdf)

## 2. Data Controller

**Data Controller (GDPR Art. 4 No. 7):**

997 Ventures UG (haftungsbeschränkt)  
Sonnenhof 13  
67677 Enkenbach-Alsenborn  
GERMANY

## 3. Purpose and Scope of the App

The App is designed solely to **display web-based content** of the Bienenstock platform on mobile devices.

The App:

- does **not** offer user registration
- does **not** create or manage user accounts
- does **not** store personal user profiles

- does **not** perform analytics, tracking, or advertising

## 4. Data Processed by the App

### 4.1 Technically Necessary Data

For technical operation only, the App may process the following data:

- Session identifiers
- Technically necessary cookies
- Device and connection information (e.g. operating system, app version)
- IP address (processed server-side by the web platform)

This data is required to:

- display content correctly
- maintain secure sessions
- ensure stability and security of the service

### 4.2 Cookies

The App itself does **not** set tracking or marketing cookies.

Within the embedded web view, only **strictly necessary cookies** are used, for example to:

- maintain session state
- securely display authenticated content

No consent is required for these cookies under applicable data protection laws.

## 5. No User Accounts in the App

The App:

- does **not** create or manage user accounts
- does **not** store personal master data
- does **not** allow direct input of personal data within the App

Any user accounts, roles, or personal data exist **exclusively within the web platform** Bienenstock-Kita.de and are governed by its Privacy Policy. User accounts within the web platform accounts are manually activated by the administrator.

## 6. Data Sharing

The App itself does **not** share personal data with third parties.

Any data processing and data transfers related to the web platform are described in the Privacy Policy of Bienenstock-Kita.de.

## 7. Data Retention

The App does not store personal data persistently.

- Session data is deleted when the session ends
- Cookie retention follows the rules defined by the web platform

## 8. User Rights

As the App itself does not store or manage personal data, data subject rights (such as access, rectification, or deletion) do not apply directly to the App.

For personal data processed within the web platform, users may exercise their rights as described in the Privacy Policy of Bienenstock-Kita.de.

## 9. Changes to This Privacy Policy

This Privacy Policy may be updated if technical or legal requirements change.
